Club Presidents

On behalf of the Carrot Creek 4-H Club, I would like to invite you to our online Yellowhead 4-H District Sale. Due to the Coronavirus we have had to cancel our Yellowhead District Show. Our members have been working hard with their projects even with this pandemic. This year our club will be donating 2% of our sales to STARS.

We want to thank our buyers and businesses that support us and our leaders during these unprecedented times.

Sincerely,

President Carter Lawton Carrot Creek 4-H Club

Hello everyone! Thank you for supporting our 4-H sale! In spite of the times, our 4-H members have an excellent line up of finished steers. Even without a show, our members have been "brushing up" on their grooming and showmanship skills, as demonstrated by the photos. The Edson 4-H Multi Club would like to thank all our supporters, volunteers, parents and everyone who has made this sale possible. This year our club will be donating 2% of our sales to the Edson Food Bank.

On behalf of the Edson 4-H Multi Club

President Arylea Elzinga

On behalf of the Peers 4-H Multi Club, I would like to thank all our sponsors and everyone who has supported us through this Covid-19 crisis. Although this is a very different year, everyone is still working hard with their projects to prepare them for our sale days. Thank you for showing your support through this difficult time. This year our club will donate 2% of our sales to the Edson Food Bank.

Sincerely,

President Devin Eaton Peers 4-H Multi Club
